Ratton offers a wide range of extra-curricular clubs to enrich and enhance opportunities for pupils' experience at school and try to engage all students in participating in activities outside of lesson time to develop interest and excitement in all areas of life.

However, in the unlikely event that a club has to be cancelled, we will aim to ensure that students receive advance notice of this. If a club has to be cancelled at short notice, for example due to staff illness on the day, we will always offer the supportive measures outlined below:

- Students should go to Reception to contact home or if it is a PE activity, they can also go to the PE office to use the phone.**
- Students are always welcome to attend another club on that day or go to Homework Club which is open to all students every day until 4.15pm**

On no account should any student wait outside school on their own for long periods of time to be picked up, especially in the dark winter evenings. They are always welcome to wait in school.
