Dear Parent / Carers

I am pleased to launch this year's Enrichment Week at commencing on 18th July and finishing on 20th July. We are delighted to be offering students a wide range of activities that will allow them to work with students they do not usually work with, in a different environment over an extended period of time.

Within this booklet you will find details of all the courses being offered this year, including the year group they are on offer to and their costs. The PP cost is also shown, this is the cost for students who receive Pupil Premium funding support. Families can check if they are eligible for PP support with respective Year Leadership staff.

Please read this booklet together with your child and examine the course details carefully. This will help to ensure your child selects possible options that are appropriate to their interests and in turn make the enrichment week as enjoyable and successful as possible for them and the other students involved. We also ask that students consider the areas of personal skills they want to develop when selecting their possible options. It is very important that your child selects options that you have already approved with them at home to avoid further disappointment down the line.

Next steps;

- Review the activities with your child online (hard copies are available in school if required). This is found on the school website at www.ratton.co.uk/enrichment and will be sent home via Edulink.
- Enrichment 2023 booking form will be shared with students on **Wednesday 14th December at 4pm via the student emails**, this is the booking system and requires students to select 3 possible activities in order of preference.
 - It is the student's responsibility to make these choices.
- Students should complete the forms as soon as possible to avoid disappointment.
- Confirmations of activities allocated will be sent out after determining best fit for all students.
- Any payment schedules (where applicable) will confirmed in due course.

Thank you for your support with this - we sincerely hope everyone has a fantastic and memorable experience.

Regards

Mr R Kearsy

enrichment@ratton.co.uk

Areas for personal development

Please think about the areas you want to develop skills in as you select your three possible activities. You may want to build on areas you developed last year or you may want to challenge yourself in a different way. All of these are skills that employers look for when they are recruiting staff.

Students will...

- Have the opportunity to use their imagination and/or be creative
- Have the opportunity to reflect on their experiences
- Have to manage their time, resources and actions to ensure positive outcomes
- Have the opportunity to express their views to others
- Have the opportunity to appreciate the views of others
- Have the opportunity to lead others
- Have the opportunity to work collaboratively
- Have the opportunity to explore different cultural influences and styles
- Have the opportunity to work and socialise with students they have not met before
- Have the opportunity to plan their own learning or research
- Experience a sense of enjoyment and fascination in learning.

Pupil Premium - An Explanation

As you read through the booklet, you will notice that the courses have different costs for students who are eligible for the Pupil Premium grant. As with all trips during the school year, Pupil Premium funding is used to subsidise activities, reducing the cost for disadvantaged students. This allows students to access opportunities that they might not otherwise have the chance to be involved in.

Each course has been given a percentage subsidy and this differs between each course as this is based on the relative benefit of each activity. For example, a course which has more potential to benefit a child's academic achievement or personal development will receive a higher subsidy than other, less academic, courses.

Anime/Manga Appreciation

Cost:
FREE

PP Cost:
FREE

Yr 7 Yr 8
Yr 9

Residential
Daily

Top 2 Ratton Virtues:
Creativity
Respect

Course outline:

Calling all anime and manga fans! For three days you can watch, read and explore different series and films. From Full Metal Alchemist to Studio Ghibli, we will have to opportunity to read, watch and enjoy the iconic art style from Japan. Feel free to bring in your own manga collection to read and share with others, or explore the series we will have on offer. Activities will vary from watching short series, reading manga, comparing well known series and enjoying classic anime films. You might see some old favourites or discover new ones as we soak ourselves into a some great stories and relax.

Personal development and extended learning opportunities:

- Explore art forms from other cultures
- Develop an understand of Japanese culture and language
- Explore story structure, narrative and characters
- Improving reading skills
- Have the opportunity to work and socialise with students across year groups
- Experience a sense of enjoyment and excitement when engaging with new stories

Beauty Therapy

Cost:
£30

Creativity

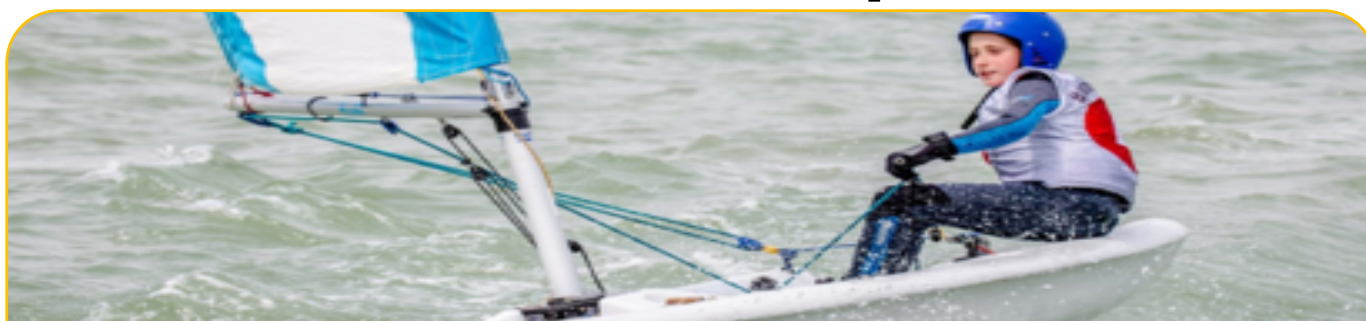

Course outline:

Interested in becoming a beauty therapist or would enjoy 3 days learning how to do different treatments such as manicures, pedicures, facials and brow and lash lifts? Then this is the course for you. We will also have time to explore various salons and look at business plans for starting your own beauty business. There will be lots of time to practise together and have a fun learning experience! Limited spaces

Personal development and extended learning opportunities:

- Have the opportunity to use their imagination and/or be creative
- Have to manage their time, resources and actions to ensure positive outcomes
- Have the opportunity to lead others
- Have the opportunity to work collaboratively
- Have the opportunity to work and socialise with students they have not met before
- Have the opportunity to plan their own learning of research
- Experience a sense of enjoyment and fascination in learning.

Buzz Active Watersports

Cost:
£105

PP Cost:
£40

Yr 7 Yr 8
Yr 9

Residential
Daily

Top 2 Ratton Virtues:
Effort
Teamwork

Course outline:

We will be out on the water and in the fresh air by the sea at the Buzz watersports centre, easily accessible by public transport and we will be meeting here. We will be racing on the seas, sailing, paddleboarding, raft making, windsurfing across the waves building up our skills and confidence in these activities. You need to be a team player, working with each other looking after each other out on the water and bringing in the equipment. You will be provided with the opportunity to experience these new activities, or if you're lucky enough to have tried them already practice and develop your skills. You'll be joining a team and experience days of fun, laughter, adventure and time together to meet and make new experiences and new friends.

Personal development and extended learning opportunities:

- Have the opportunity to reflect on their experiences.
- Have the opportunity to lead others.
- Have the opportunity to work collaboratively.
- Have the opportunity to work and socialise with students they have not met before.
- Experience a sense of enjoyment and fascination in learning.

Dance

Cost:
£20

PP Cost:

Daily

Top 2 Ratton Virtues:
Creativity
Teamwork

Course outline:

Ecology is the study of living organisms and their ecosystems. It's amazing to learn about how everything is interlinked and the smallest change can have far reaching implications!

We are so lucky to live in an area of the country which is full of diverse habitats. During the week we will undertake a range of activities to gain a greater knowledge of our local species and the ecosystems that they live in. We'll be learning about food chains and taking samples of the organisms that inhabit our world. Get your nets ready as well be out on the beach rock pooling and seeing what we can find!

We'll also be looking at how we can preserve our delicate ecosystems and even help them thrive further.

Personal development and extended learning opportunities:

- Have the opportunity to reflect on their experiences.
- Have to manage their time, resources and actions to ensure positive outcomes.
- Have the opportunity to lead others.
- Have the opportunity to work collaboratively.
- Have the opportunity to plan their own learning of research.
- Experience a sense of enjoyment and fascination in learning.

Football Academy

Cost:
£65

Top 2 Ratton Virtues:
Effort
Teamwork

Course outline:

The purpose of the Football Academy enrichment course is to provide students with experiences of high quality coaching and skill development, alongside opportunities to visit some of the most impressive facilities that world football can offer.

During the week, students will;

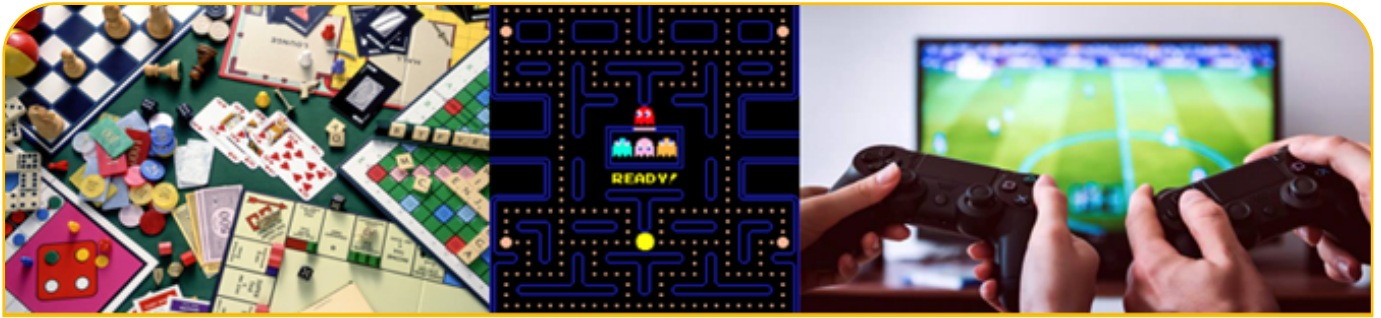

- Have football coaching from Brighton and Hove Albion in the Community coaches
- Play in a tournament
- Visit the AMEX with a stadium tour
- There may also be an opportunity to have a Q&A with some of the current Brighton and Hove Albion players.

It is important to stress that this is open to boys and girls.

Personal development and extended learning opportunities:

- Have the opportunity to reflect on their experiences.
- Have the opportunity to express their views to others.
- Have the opportunity to appreciate the views of others.
- Have the opportunity to lead others.
- Have the opportunity to work and socialise with students they have not met before.

Games

Course outline:

This course looks at games - old and new.

Students will start the course by playing classic games, including board games, that have played a major role in popular culture over the years. Students will then move on to playing retro computer games and will be looking at games that starting moving into the realm of multiplayer.

Finally, students will move on to computer games from the modern day and engage in multiplayer games and tournaments.

Personal development and extended learning opportunities:

- Have the opportunity to reflect on their experiences.
- Have the opportunity to work collaboratively.
- Have the opportunity to explore different cultural influences and styles.
- Have the opportunity to work and socialise with students they have not met before.
- Experience a sense of enjoyment and fascination in learning.

Harry Potter Experience

Cost:
£60

PP Cost:
£30

Yr 7 Yr 8
Yr 9

Residential
Daily

Top 2 Ratton Virtues:
Respect
Teamwork

Course outline:

This enrichment course is for students who love all things Harry Potter. The first two days will involve watching films, the sorting hat activity, making wands, creating new houses and their respective shields, developing teamwork through playing quidditch and a treasure hunt.

Students will engage in various creative activities including designing a new uniform, making up new characters or writing a new chapter or story, while dressing up as their favourite character perhaps!

The course will culminate in a trip to the Harry Potter Studios for the final day.

Personal development and extended learning opportunities:

- Students will get to show their creativity by designing one of the following- a new Character, Chapter, House, or Uniform.
- Students get to visit The Harry Potter Studios and can experience where scenes were filmed, which will hopefully inspire them to write additional scenes for one of the films, or chapters for one of the books or a sequel.
- Students will get to collaborate and share thoughts and ideas with each other.
- Students will get to explore and experience all that is 'Harry Potter' at the film set.

Horse Riding

Cost:
£55

PP Cost:
£20

Yr 7 Yr 8
Yr 9

Residential
Daily

Top 2 Ratton Virtues:
Teamwork
Responsibility

Course outline:

This is a great opportunity for students to try something unique and learn to ride a horse. Students will receive expert tuition from a qualified riding instructor and start their journey to become a competent rider. Students will start off by getting comfortable around and on a horse, moving on to basic control and riding and hopefully finishing with a few jumps.

We will also be covering a section on stable management and what the role of a farrier is. You don't have to already be able to ride and can join in at any level you are currently at, whether you have never sat on a horse before or compete at a high level.

Personal development and extended learning opportunities:

This is a great opportunity for students to gain enjoyment out of something they have not tried before or share their **fascination** of all things equine with other like-minded students. They will have the chance to work and **socialise** with students they have **not met before** and may be able to **lead** others in **group** settings and work **collaboratively**. They will also have **experience** with other instructors and learn **new things** about how to **care** and look after horses. In addition, we will be looking into ideas about sports **psychology** and how this is used to maximise the **performance** of some of our top UK riders.

Irish Dance

Cost:
£15

Effort

Course outline:

Day 1 – **Journal making**. You will be making a Journal to hold an A6 note pad with a pocket for additional note cards. You will use patterned paper to cover the greyboard and learn how to create a professional look!

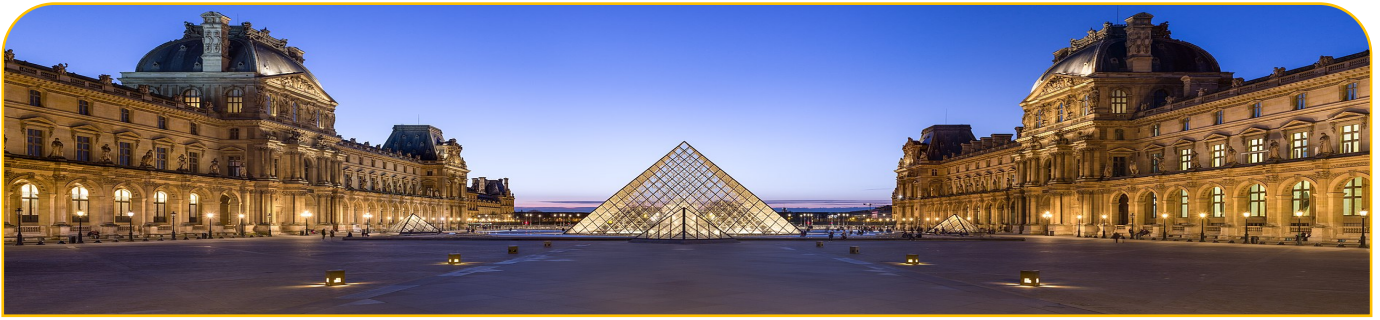

Day 2 – **Mixed media**. You will use mixed media techniques to decorate an A5 size wooden box. You will add texture and pre-cut shapes before adding a layer of powertex to make the decoration more hardwearing. The box will then be decorated with acrylic paint and dry brushing techniques. (look at the guitar in room 217 to see similar mixed media effects with powertex).

Day 3 – **Cardmaking**. You will create some cards using iris folding techniques; a technique which uses folded paper behind a pre - cut shape. You will follow a pattern and use patterned paper to enhance the final look of your card.

Personal development and extended learning opportunities:

- Have the opportunity to use your **imagination and/or be creative** through creating a range of products.
- Have the opportunity to reflect on your experiences in the journals made on day 1.
- Have to manage their time, resources and actions to ensure positive outcomes to ensure that you are proud of their finished pieces.

Course outline:

This is perfect for students who have a love of the outdoors and exploring the countryside. Students will be challenged to hike 50km in just 3 days, starting from Brighton and finishing at Ratton School on the final day. Tough climbs will be rewarded with stunning views of the South Downs and its surrounding human and physical landscapes.

Students will complete the hike in three stages with return transport from Ratton each morning and evening from the start and end points.

NB: The cost for this course is used to cover transport to the start point each day.

Personal development and extended learning opportunities:

- Students will have the opportunity to develop **resilience** as they overcome the challenges of three full days' hiking over sometimes difficult terrain.
- New friends can be made as they work as a **team** with students they may not have met before as they all help **motivate** each other to complete the challenge.
- Students will have the opportunity to experience the sense of freedom gained from outdoor learning and the enjoyment of nature as they are immersed in the beautiful South Down landscapes right on our doorstep.
