

Refresh Committee

Thursday 16 July 2009

Present: Tracy Comfort, Business Manager
Chris Wheeler, Catering Manager
Joan Williams, Vice Chair of Governors

Pupils present: Fred Osborne
David Dumbleton
Olivia McCreery
Ellemay Francis

Not present: Lauren Godden

This was the first meeting of the new Refresh Committee, a voice of the students and catering management.

As it was the first meeting, it was used as a get to know each other session but meetings in future will be more formalised and have an agenda set. The committee will need a set of terms of reference (guidelines as to why the committee meets).

The meeting discussed the following and will revisit in the future:

Swine Flu - Antibacterial gel facilities
Washing hands before going into canteen
2nd servery (rather than identical)
Summer projects - decking/patio of the conservatory garden
Chris explained the new nutritional guidelines due in September and the effect on menus

Ideas: Fruit salad selection (like the cold salads)
Soups
Subway type - make your own rolls
Pasta trolley - selection of pasta sauces to compliment the pasta
Toasted sandwiches in addition

Menus should be displayed in all tutor rooms
Queue bars changed
Promotion at breakfast clubs

Two lunch servings (split KS3 and KS4)
More bins - better litter environment, embed to students they need to clear tables

More theme days (linked with music)
Snacks/ice-creams on Fields

Music equipment - put in control box so volume can be controlled
Music entertainment from school groups/staffs more often

Next meeting

A structured agenda in place
Terms of reference to approve
Start discussing student/staff survey

New representatives needed for New Yr 7 & Yr 9
groups

T Comfort
Business Manager
