**Revision Sessions** – all revision sessions run from 3.15 to 4.15. Teachers are giving up their own time to run these sessions in order that students can achieve at least their MTG, so excellent behaviour and attendance is expected. Depending on how many people sign up, the venue will be established and advertised before the session. Each module will be revised separately to maximise time and ensure both Core and Triple pupils can attend sessions which are relevant for them.
